

## **STOP PRESS:** **ISSUE OF VEHICLE EMISSION STICKERS**

From January 2008, all BFG initial registrations will be issued with an emission sticker. The BFG VLO (Main) has now obtained the validation seals required for the issue of vehicle emission stickers that have to be displayed on the windscreen of vehicles that enter designated control zones within certain German cities.

BFG Personnel, whose vehicles are already BFG registered and who wish to have a vehicle emission sticker should apply in writing to the OC, BFG VLO (Main), BFPO 40 giving the following information. A self-addressed envelope is to be included with the application.

### **Right Hand Drive Vehicle:**

- Vehicle Make & Model
- BFG Registration

### **Left Hand Drive Vehicle:**

- Vehicle Make & Model
- BFG Registration
- Vehicles BFG registered before 01 Oct 05 – KFZ-Brief
- If KFZ-Brief not available then Date of manufacture
